**REPLY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In complete response to the Office Action mailed December 3, 2003, Applicants submit the following comments.

As correctly stated in the Official Action, Claims 22-41 are pending in the present application. Claims 22-41 stand rejected.

*Information Disclosure Statements*

Applicants respectfully request that the Examiner initial and return to Applicants the PTO-1449 forms that accompanied the filing of the present application submitted on June 19, 1998 and the Information Disclosure Statement filed on September 5, 2001.

*Rejections Under the Judicially Created Doctrine of Obviousness-Type Double Patenting*

Claims 22-41 stand rejected under the judicially created doctrine of obviousness-type double patenting as obvious over Claims 1-21 of U.S. Patent No. 5,928,629. Without conceding to the merits of this rejection, and solely in an effort to expedite prosecution, Applicants submit herewith a terminal disclaimer disclaiming any patent term of the present application extending beyond the duration of the '629 patent. Accordingly, withdrawal of this rejection is respectfully requested.

*Conclusions*

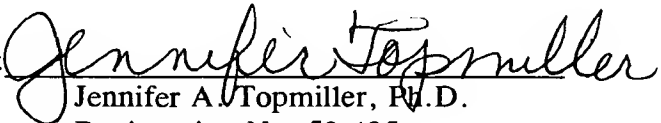

From the foregoing, further and favorable action in the form of a Notice of Allowance is respectfully requested and such action is earnestly solicited.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully requested to telephone the undersigned so that prosecution of the application may be expedited.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
